

translating an idea into action...

About Us

Praxis i-Technologies Private Limited is a multifaceted integrated IT solutions Provider, Microsoft Dynamics Certified Partner, Epicor Authorised Partner Praxis offers a range of services in the areas of ERP Solutions, Systems Integration, Software Development Services, Product Development, Management / HR Consulting, Business Process Reengineering and Change Management.

Praxis Enterprise Solution Group

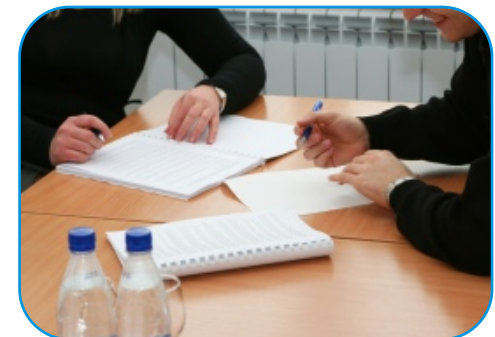

Today's rapidly changing business scenarios pose unique challenges for small, mid-sized and large companies. For instance, mid-sized companies require vertical focused, cost effective and timely ERP solutions that ensure quicker returns and improved operational efficiencies, whereas, large enterprises need ERP solutions that cater to the unique and localised requirements of their subsidiary offices and enable their integration with their parent enterprise systems.

Praxis' Microsoft Dynamics & Epicor Practice caters to the business needs of the small, mid-sized and large enterprises by providing end-to-end services on Epicor 9, Epicor ITSM, Microsoft Dynamics™ AX, Microsoft Dynamics™ NAV, & Microsoft Dynamics™ CRM. These solutions lower the TCO and ensure higher and quicker ROI, thus enabling customers to use the Epicor & Microsoft Dynamics™ to maximise their business value and improve their competitiveness.

Vertical Solutions

Following are the vertical solutions developed by Praxis on Microsoft Dynamics :

- ▲ Industrial Equipment Manufacturing
- ▲ Process Manufacturing (Dairy & Petrochemicals)
- ▲ Hi-Tech and Discrete Manufacturing (Textile)
- ▲ Retail
- ▲ Print and Media
- ▲ Construction

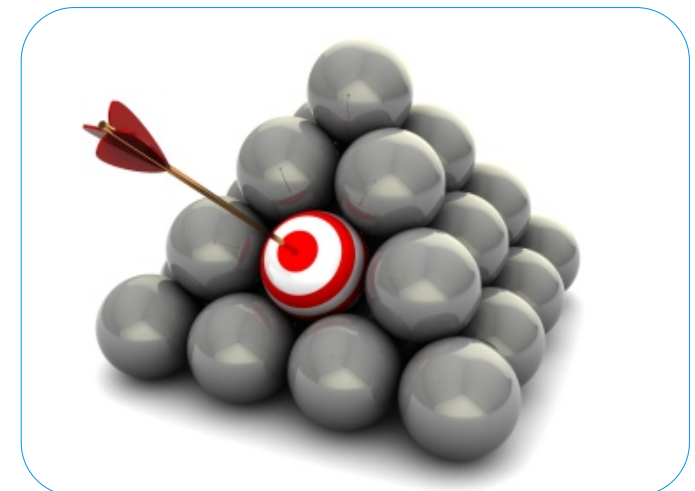

Vision

To provide the best software solutions, offshore development facilities, and IT enabled services and integrate all our efforts to help our clients achieve their strategic organizational objectives.

Mission

To provide dynamic solutions in HR Supply Chain Management that help customers achieve operational excellence and profitable business growth.

Value Proposition

Microsoft-Praxis alliance : As a Microsoft Certified Business Solutions Provider, Praxis has early access to new products and releases to serve you better.

Partnered with IBI (Industry Build Initiative) partners like To-Increase-Netherlands, Fullscope USA, Blue Fox Porini-Italy and Landsteinar Strengur Retail-Denmark.

Lower product license cost and cost effective delivery model of Praxis result in lower TCO and quicker ROI for your valued business.

End-user support : Praxis' Dynamics Practice Support Center provides training and post-live support to familiarise end-users with product and implementation specifics thereby enabling them to realise maximum benefit out of their customised application.

Rich domain expertise with its large pool of Microsoft Certified resources and industry-wise implementation experience, Praxis ensures that the customers get robust implementations, de-risked upgrades and best quality development & support.

Business Process Outsourcing

Realise the power of ERP/CRM applications and BPO working in tandem for you. Dramatically lowers your transaction costs. Consolidates your workforce and lowers operational costs. Redesigns your processes for better effectiveness.

Modular Approach

A strategically mature alternative to total outsourcing and ad-hoc off-shoring. Align your sourcing strategy to your business strategy, modularise your applications and processes and leverage the power of Global Delivery Model.

V & V (Verification and Validation)

PraXis strategically approaches its rich & robust V&V methodologies to deliver your applications and scale up your business.

Integrated & Innovative Enterprise Applications

PraXis believes Enterprise Application Integration through innovative add-on solutions and robust system architecture.
